3 Particulars of Information sought:

a) Subject of Information : ILLEGAL CONSTRUCTIONS OF GALAS IN PLOT BEARING S> # 145/2 (OLD 467 Part)
AT VILLAGE NAVGHAR BELONGING TO SMT VEDA DAGLAS CREADO
AND OTHERS AND MAHESH INDUSTRIAL PREMISES C. S. LTD.
b) Period of Information: 01.02.1976 to 10.09.2018

c) Details of Information required :

It is revealed during various site visits, that in the subject plot of land belonging to Creado family members, there are many constructions and many business units are being run therein, although the owners, who got back on 03.10.10 land acquired by ULC authority and also got it surveyed by TILR in 2013, never applied for, and obtained construction permission. It is obvious that some criminal elements have made the constructions illegally and the municipal authorities, concerned Ward officers, Town Planning department, Encroachment & Illegal Constructions Control department, Property Tax department, singly or jointly have neglected to take action against these illegal constructions and criminal action against the persons who made these illegal constructions under MPMA, 1949 and MRTP, 1966. To initiate legal actions against the trespassers and those who made these illegal constructions as well as the concerned MBMC officers, my legal consultant needs following information. It has been detected that over 50 galas were constructed without the owners' signature, that is illegally; and although over three dozens thereof are dilapidated, around a dozen are being used for business for which house tax is being paid as well water supply is made by MBMC

PLEASE GIVE THE FOLLOWING INFORMATION:

- Any correspondence this department did any time in respect of DP road passing through this plot as the same is not being built though needed for public use.

I WOULD LIKE TO INSPECT ALL DOCUMENTS RELATING TO THIS PLOT IN YOUR DEPARTMENT,
